All elements of this product catalogue are subject to regular review and are believed to be accurate at the time of issue. Kendon Rope and Twine Co. Ltd disclaims any and all liability for any errors, inaccuracies or omissions relating to the products on this document.

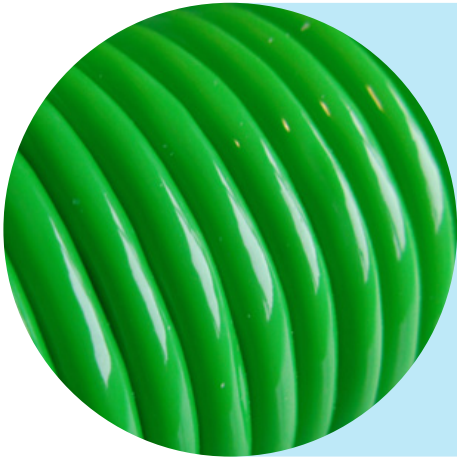

Kendon Rope and Twine is a leading UK supplier of ropes & cordages, twines & threads, securing & lifting, tarpaulins & hardware, clothes lines & pegs and tapes & packaging. We supply to a wide industrial and retail customer base throughout the world. It is the diversity of our highly functional product range which keeps us unique in the market.

The site in West Yorkshire has been operating since the mid-19th Century. It is this rich history, coupled with our commitment to traditional values, that defines our personality. That of integrity, knowledge, dependability and consistency. We are proud to have maintained our position as a market leader through focus and commitment to our '4-pillars'. These are Quality, Value, Choice and Trust.

The financial stability we enjoy as part of Kendon Packaging Group PLC supports us to carry a comprehensive range and to meet exciting new opportunities with confidence.

Please take your time to look through our brochure. Our friendly staff are always here to help you source the right product, for the right job, at the right time! So, should you require any kind of assistance, don't hesitate to contact us to discuss your requirements.

Kendon Rope and Twine Co. Ltd is registered in England & Wales No. 2702974.

PVC Clothes Lines

Our durable PVC clothes lines are supplied with an easy-to-clean PVC outer casing. A polypropylene inner core keeps the line secure. For the heaviest of loads, choose from our steel core range for complete ease of mind. A white plastic tensioner is included on most of our lines as standard.

Branded

Cotton Clothes Lines

Our range of traditional cotton clothes lines are made with natural cotton outers and a polypropylene core for strength and durability. They are ideal as a clothes line, as ceiling airers, as a pulley line or for general lashing and tying applications around the home.

Unbranded

PP Clothes Lines

General purpose 3-strand polypropylene clothes lines can be used as standard drying lines, or for lashing and tying applications around the home. Our lines come in a range of diameters, colours and lengths to suit all drying spaces – large and small.

Unbranded

Product Code	Type	Strands	Length	Pack Size	Outer Size	Tensioner

RD4304	Value	3	30.4m	N/A	50 Lines	Not Included

Retractable Lines

We supply a choice of easy to assemble indoor or outdoor wall mounted retractable lines. They make an ideal choice when drying space is at a premium. When clothes are dry, the fully retractable lines slide back into the tough plastic casing, leaving gardens, patios and bathrooms clear, tidy and safe.

Plastic Pegs

Our wide range of plastic pegs provide the perfect grip for all drying conditions. We have pegs to suit every preference. Soft pad provides additional padding for the gentlest of grips while our one-piece pegs are perfect for people with hand weakness or restricted movement.

Rotary Airer

Our two-piece 3 and 4 arm airers are an efficient way to dry clothes outdoors. Rotary airers never need to get in the way. When not in use they can be collapsed down to open up garden space again. Plastic ground socket included. The rotary airers can be dissembled to reduce packing volume for shipping and storing.

Branded

Product Code	Type	Length	Pack Size	Outer Size	Colour

Clothes Props

Our 2.4m (8ft) extendable steel clothes props are made in grey or a range of assorted colours. They provide the perfect means to support long and heavily loaded washing lines. Props help to keep laundry items in the full face of the breeze and clear from trailing on the ground.
